

# EARTH DAY NETWORK

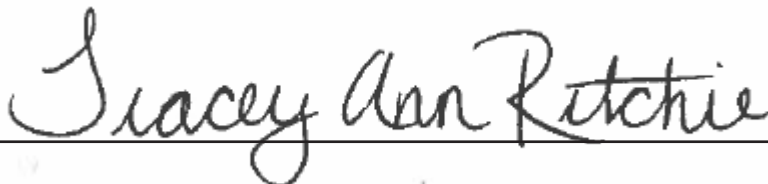

Name \_\_\_\_\_ School \_\_\_\_\_

Address \_\_\_\_\_ Date 9/20/19

Dear Educator,

Please excuse \_\_\_\_\_ from classes today as he/she/they will be joining the global environmental movement and walking out to demand a cleaner and healthier planet for all. Earth Day Network strongly believes that this time away from class is still educational and important for \_\_\_\_\_'s future as an engaged citizen.

They will use this experiential learning opportunity to gain knowledge in Ecology, Economics, Ethics, and Government while also practicing their civic engagement and communication skills.
